The screenshot displays the FoodQualiTrace web interface. At the top left is the logo "FoodQualiTrace" and the URL "contact@foodqualitrace.com". The navigation menu includes "Home", "News", "Contact", and "Sonja Producer". Below the navigation are buttons for "NEW LOT" and "TRANSFER", and a search bar labeled "Search".

The main content area features a table with columns: Name, Lot Number, Type, Date, Status, Location, and more. The table contains several rows of data, including entries like "Egg" and "Test with lots of pars...". A QR code is overlaid on the table, centered over the "Egg" row. The QR code is a standard black and white square code used for product tracking.
